To Whom It May Concern:

Attached to this letter you will find a spreadsheet with the information of the voting equipment for Cumberland County. As of the General Election held in November of 2020 our voting equipment was in good working order. We will be using the same equipment for the April 2021 General Consolidated Election.

I realize that our equipment has some age to it, but over all it is in good condition. Our vendor does have new equipment that they will be demonstrating in the near future. At this time buying new equipment is not feasible; hopefully leasing will be an option.

Sincerely,

Beverly Howard
