PUBLIC COMMENT: None

GUEST: Shon Park, Public Defender-Shon wanted to discuss the changes to the court system and the number of hours that he and his secretaries are putting in. He doesn't think we need a full-time public defender yet.

Charles Geuin, Pastor of the Calvary Tabernacle Church-they are building an 18,000 sq ft facility to meet the day care needs for the community. When done they should be able to handle 50 children. Discuss and take action on solar farms- Todd Beard has received calls and concerns on Solar Farms. There were several in attendance. Roger Walk spoke; property rights are important. The County should look into setbacks and he is afraid this might turn out like the Reliant problem in Neoga.

Terry Nash also spoke and there are 2 different companies in his area.

Jason Probst also spoke and asked the board to consider a moratorium on all construction of solar and wind farms.

The Grain Belt Express has filed with the ICC on the transmission lines going through the County. Sarah Walk with Farm Bureau is willing to help on creating an ordinance. Another gentleman spoke about a wind turbine company "Cordelio power". They need 10,000 acres in Shelby and Cumberland around the Neoga substation. They claim to already have 4500 acres signed up.

Roy Clapp stated that UCCI spoke about solar farms at a recent meeting and the government is wanting to take away local control.

A Motion was made by Black and seconded by Holkenbrink to authorize Bryan to work with the Farm Bureau and UCCI to create an ordinance on wind and solar farms.
