

BROADBAND COMMITTEE MEETING
THURSDAY, FEBRUARY 15, 2024 AT 5:30 PM
LIFE CENTER BUILDING

Cumberland County Broadband Committee is pleased to invite you to our first public meeting on Thursday, February 15, 2024 at 5:30 PM. The Committee has been meeting for several weeks to develop a survey for Cumberland County residents to complete that will help demonstrate an overall need for a reliable and affordable broadband solution.

During this meeting we hope you will gain a better understanding of our mission and goals, and how you, as a community leader, can help us to encourage participation in the survey as well as the BEAD challenge.

The meeting will be held at the Cumberland County Life Center Building, 507 E Main Street, Toledo, Illinois.
